MEMORANDUM FOR: Director of Personnel
Director of Security

Handwritten initials: JKP

SUBJECT : Agency Personnel Assigned to the White House

1. In view of the current program to ensure that all personnel at the White House have received appropriate security investigations, I asked the Director of Security to provide me a listing of Agency personnel assigned there. The memorandum providing this information is attached.

2. While it is understood that any Agency personnel who are assigned to the White House are first carefully reviewed to ensure their suitability, it is requested that steps be taken to ensure that a careful review of the qualifications of such individuals is made each time an assignment is considered. The Director of Personnel should arrange for a check with the Office of Security and the Medical Staff prior to any such assignment.
